

LODESTAR

Volume XXXVIII Issue Ten

□October 2014

The Lodestar is the newsletter of the SFMS and is published electronically every month.

Article submission by the 15th of the publication month. Articles and announcements are welcome from any member or member society. Electronic submission in Word or Open Office format to:

sfms.lodestar@gmail.com

Postal service submission or communication:

Lodestar; 276 Lacy Lane; Easley, SC 29640

Anyone desiring an electronic subscription please email your email address to:

sfms.lodestar@gmail.com

THE SOUTHEAST FEDERATION OF MINERALOGICAL SOCIETIES, INC.

A Non-Profit, Non-Commercial, Non-Political Organization and Regional Federation of the American Federation of Mineralogical Societies

PURPOSE:

To bring about a closer association of Clubs and Societies devoted to the study of Earth Sciences and the practice of Lapidary Arts and Crafts in the Southeast part of the United States.

OBJECTIVE:

To cooperate with similar Federations to promote public interest in the Earth Sciences and the conservation of natural resources.

October 2014 Presidents Notes

- Jim Darnell, President

Our annual meeting is in one month in Pascagoula, MS. I hope to see Y' all. I will try to call each club president and invite them to our annual meeting (I might have to twist a few arms).

Things we will have on the agenda include membership dues, insurance cost and workshop participation, and succession to office.

At the May meeting at William Holland, our treasurer indicated that membership dues are costing SFMS over \$1.50 per member (both adult and juniors). We are paying \$0.75 per member to AFMS and SFMS cost is over \$0.77 per member for our Federation cost. (Total combined cost is over \$1.52 per member (adult and junior)).

We are proposing raising membership dues to \$1.75 for 2015. Please, send me your comments and suggestions on how we might be able to control cost in the event we cannot reach an agreement to the new membership costs. Everywhere we look, fees are going up.

Our Insurance Liaison has said we will be seeing an increase in the cost of insurance. The estimate is a 15 percent increase but we do not know exactly how much it will be as of this date.

Roy Deere, our workshop/Education director will be training an assistant in 2015.

Our Constitution and By-Laws may not have been updated since 2005 and I think its past time for an update. I am hoping we can set up a committee to review and update the Constitution and By-Laws.

In the process of updating, I would like to see an amendment allowing the president to succeed himself/herself for one additional term for the following reasons.

1. Reason one (1) for considering this proposal: Article III Duties of Officers, Section 2: First Vice President, Item A: states "The term of office for the First Vice-President shall be for one (1) year and may be elected to succeed himself/herself".
2. Reason two (2) for considering this proposal: Article III Duties of Officers, Section 3, the Second Vice President: Item D: states "The term of office for the Second Vice-President shall be for one (1) year and may be elected to succeed himself/herself".

With this amendment to the original limit for the executive club officers, I feel that the Federation should amend the office of President to a one year plus one year (optional) position (may be elected to succeed himself/herself). This is only a suggestion that needs to be considered in 2015 and made to become effective in 2016.

Without a change, there is the possibility that the chief executive office (Presidents office) might be left empty.

The Host club (Mississippi Gulf Coast Gem and Mineral Society) for our annual show is quite excited to have SFMS members visit the Mississippi Gulf Coast and the 25th Annual Show (Show name: Magnolia State Gem Mineral and Jewelry Show) in Pascagoula, MS. They will have at least 25 dealers at their show and they have advised that Diamond Pacific will be one of the dealers. It's been a long time since the Mississippi coast rock clubs have had an equipment dealer attend the Pascagoula show. There is separate information in this month's issue of Lodestar

SFMS Annual Meeting, Pascagoula, MS

The annual Southeastern Federation of Mineral Societies meeting will be held at the Jackson County Fairgrounds in Pascagoula, MS on November 7th and 8th 2014.

The Cracker Barrel will be Friday evening at 7:00 PM November 7th held at the Jackson County Fairgrounds, the general meeting will be Saturday morning, registration at 8:30 AM, meeting starts at 9:00 AM also at the Jackson County Fairgrounds.

Our host club is Mississippi Gulf Coast Gem and Mineral Society (contact is: Bill LaRue (228)-229-8781).

Hotel for out-of-towners:

Comfort Inn

6801 SR 63 N

Moss Point, MS

(228)-474-3600

Group contract 1839324

Room rates for 11/7 and 11/8/2014 are \$55.00/\$59.00 night

Guarantee with credit card

Book rooms before 10/23/2014 to guarantee a room.

Banquet cost is \$30.00 (registration forms in next month's Lodestar and by mail in October's meeting notice from our secretary).

Diamond Pacific will be a dealer at this show.

Slip, Trip, and Fall Hazards

- Bob Green, Safety Chairperson

Special Note: Again a traffic reminder about shorter days and some shorter tempers. As noted last month, when you drive, you may be able to see, but can others see you? Also, remember the issue of your headlights on Auto- the tail lights are probably not on.

This month's article has been extracted from "The Energy Safety Bulletin, 2014-10-09". It is an excellent article about slips, trips and falls.

According to research from a leading university, slip, trip, and fall accidents are second only to automobile accidents in causing personal injury. Falls on stairways alone result in over 1 million disabling injuries each year. Most alarming to our industry is that industrial falls cause over 1000 deaths each year.

Slips occur when there is too little friction between a person's feet and the walking surface. Many factors can cause a slip; most notable are ice, oil, water, cleaning fluids, and other slippery substances. Additionally, wearing inappropriate footwear has led to many slipping accidents. If slip-resistant soles are required for certain work areas, include the requirement in your company safety policy. Avoid walking in areas that pose slip hazards and promptly clean up spills of slippery substances are two sure ways to avoid slips.

Trips occur when a person's foot contacts an object and they are thrown off balance. The main cause of tripping is obvious--anytime something is in a walkway it could cause someone to trip. Another hazard is an object which projects into the walkway-- perhaps lumber that is improperly stacked. Poor lighting and uneven walking surfaces also cause trip hazards. Prevention of trips is simple; remove objects that could cause a trip, repair uneven flooring, and install proper lighting if required.

Remember that this applies to the logging site too. Loose bark, limbs, vines, and other debris can cause slips and trips.

Slips, trips, and falls cause numerous injuries every day. But they are among the easiest hazards to correct. Take the time to look around your workplace for these hazards and work to prevent them. Some additional tips on preventing these hazards are:

3. The best way to prevent slips, trips, and falls is good housekeeping in all work areas.
4. Rooms, work areas, hallways and steps must be kept free of equipment and materials.
5. When not in use, tools and other equipment should be kept in proper storage places. Remember there's a place for everything and everything has its place.
6. A spill should be cleaned up immediately to eliminate the danger of a slip hazard.
7. Report slip, trip, and fall hazards to your immediate supervisor so repairs can be initiated.
8. Do not climb on storeroom shelving. If you must reach high shelves, never substitute crates, boxes or other objects for a stepladder.
9. Place electrical cords and/or telephone cables so that they do not lie in heavily traveled areas.

Safety rules for preventing slip, trip, and fall hazards really are just "common sense" rules.

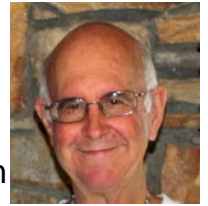

Nevertheless, a look at the statistics tells us they need to be repeated to eliminate the hazards, which are costing time, money, and a lot of pain.

Thanks, TechCorr Safety Team

Be careful and be safe.

SFMS WORKSHOPS UPDATE

- Roy Deere, Education Committee Chair

2014 Accomplishments

Our 2014 SFMS Workshop sessions ended with a 4th workshop at William Holland this week. This year's workshops have been an overall success for SFMS. Some of our accomplishments for this year include:

Generation of a profit on each of the 4 workshops. This has not been accomplished in many years.

Offering several new classes: Cold Connections & Enameling; Flint Knapping; Weaving Freeform Wire Jewelry and Bracelets, Bracelets & More.

2015 Workshop Staff

The education committee met this week and confirmed the following workshop staff appointments for next year.

Education Chairman: Roy Deere & Danny Griffin co-chairmen

Wildacres Director: Lisa Roberts & Gail DeLuca co-registrars

Wildacres Registrar: Paula Griffin

William Holland: Cindy & Jim Reed

William Holland Registrar: Rosemary van Wandelen

Bad News

We were notified this week that William Holland has cut SFMS to a single session for next year. Our October session has been cancelled. Please note that this was a William Holland decision to no longer offer SFMS that traditional 2 weeks that we have had since the opening of the facility. Our understanding of the decision is that William Holland was not making enough money on the SFMS weeks (they want to raise the required attendance from 40 to 60 per session). As SFMS members it is up to you to support our workshops. If we show increases here, we might get the extra session back in the future; if not we will probably end up losing all of our sessions. The same situation applies to Wildacres.

As SFMS members this is in your hands. Your SFMS officers and workshop staff cannot generate extra people to attend the workshops only you can do that by signing up yourself and your family to attend the workshops.

2015 Workshop Schedule

As usual, we do not have a full set of dates for our workshops yet. The June William Holland workshop will be held from June 7-13.

We do not have the Wildacres dates but we expect that they will correspond with this year's dates. That will place the workshops on: August 17-23 & September 21-27.

The details of the classes and instructors will be published around the first of the year. I encourage you to register for the workshops on your calendars and plan on joining us for a wonderful jewelry vacation at our enjoyable locations. See you at an SFMS workshop soon.

Nominees for 2015 SFMS Positions

Danny Griffin, Past President (Nominations)
(865) 406-8802
gcjinc@comcast.net

The following personnel are nominees for the 2015 SFMS open positions. The election will take place at the SFMS Annual meeting in Pascagoula Mississippi, November 7th, 8th, and 9th, 2014. This list of nominees will be posted in the September and October issues of the Lodestar in order to meet the election notification rule.

President – Dave Wayment (1 year position)

1st Vice President – Lisa Roberts (1 year position)

2nd Vice President – Teresa Polly (1 year position)

Secretary – Jerry Heer (2 year position)

Assistant Treasurer – Darlene Gunsolus (2 year position)

Newsletter Editor – John Rasmussen (2 year position)

AFMS 3rd Vice President – Mark Easterbrook

Feel free to give me a call if you have any questions.

Mark Hendricks

Marcus (Mark) George Hendricks, 74, of Abbey Road, husband of Genevieve (Genny) Boggs Hendricks, passed away Monday, August 25, 2014.

Born and raised in Pickens, South Carolina, he was the son of the late Jim Ed and Cassie Looper Hendricks.

Mr. Hendricks graduated from Pickens High School, Clemson University and received his Ph.D. from The University of Florida. He retired from Lockheed Martin in Orlando, FL following 30 years of service. He was a member of Rock Springs Baptist Church in Easley, and the Pastors Bible Fellowship Class. He was also a member of the Western South Carolina Gem and Mineral Society in Greenville and was a US Army Veteran having been stationed at Fort Knox, KY.

Surviving in addition to his wife of 51 years, is a daughter, Carmen Akers (Chad) of Oakton, VA; a brother, Dr. James Edwin Hendricks (Sue); a niece, Lee Turpin (Dennis); nephews, Jim Hendricks (Lisa) and Dr. Christopher Hendricks; sisters-in-law, Carolyn Willimon and Dora Jane Duncan; and a brother-in-law, Lloyd Boggs (LaDelle).

2015 Free-Fee Days on Federal Public Lands

The Bureau of Land Management (BLM), the Fish and Wildlife Service (USFWS), the Forest Service (USFS) and the National Park Service (NPS) have announced Fee-Free days for 2015. The fee-free program is in cooperation with federal land management agencies under the Federal Lands Recreation Enhancement Act.

Fees are an important part of managing public lands, as many recreation opportunities, including OHV recreation opportunities, may be lost absent an opportunity to pay for them outside of the federal budget's appropriations process. However, the Fee-Free program is a way to thank the millions of public lands visitors and to encourage more people to experience the great outdoors.

The fee-free dates for 2015 and the participating agencies for each date are shown below:

January 19, 2015, Martin Luther King Jr. Day
BLM, NPS, USFS, USFWS

February 14-16, 2015, Presidents Day weekend
BLM, NPS, (USFS -16th Only), USFWS

April 18-19, 2015, Opening Weekend of National Park Week
NPS

June 13, 2015, National Get Outdoors Day
USFS

August 25, 2015, National Park Service Birthday
NPS

September 26, 2015, National Public Lands Day
BLM, NPS, USFS, USFWS

October 11, 2015, First Sunday of National Wildlife Refuge Week
USFWS

November 11, 2015, Veterans Day
BLM, NPS, USFS, USFWS

Gem and Mineral Shows

November 7,8 & 9, 2014, Pascagoula, MS

The 25th Magnolia State Gem, Mineral, Fossil and Jewelry Show will be presented by
The Mississippi Gulf Coast Gem and Mineral Society, sponsor of the 2014 SFMS
Annual Meeting.

Jackson County Fairgrounds in Pascagoula, Mississippi
2902 Shortcut Rd, Pascagoula, MS 39567

Hours: Friday and Saturday - 10:00 AM until 6:00 PM; Sunday - 10:00 AM until 5:00 PM

DMC Program of the SFMS Field Trip Committee

There will not be a DMC field trip for November. The next scheduled DMC trip will be hosted by the Knoxville Gem and Mineral Society this December. Details of the Knoxville field trip should be sent out to the DMC membership around the first of November 2014.

November - OPEN

December - Knoxville Gem & Mineral Society (Knoxville, TN)

Year - 2015

February - Western South Carolina G&MS (Greenville, SC)

March - Mid-Georgia Gem and Mineral Society (Macon, GA)

April - Montgomery Gem & Mineral Society (Montgomery, AL)

May - Middle Tennessee Gem & Mineral Society (Murfreesboro, TN)

June - Mobile Rock & Gem Society, Inc. (Mobile, AL)

July - Southern Appalachian Mineral Society (Asheville, NC)

August - Gem and Mineral Society of Lynchburg Virginia, Inc.

September - Lowcountry Gem & Mineral Society (Charleston, SC)

October - Middle Tennessee Rockhounds (Nashville, TN)

November - Gaston County Gem, Mineral & Faceting Club (Gastonia, NC)

Year - 2016

March - Jacksonville Gem & Mineral Society (Jacksonville, FL)

April - Carroll County Gem & Mineral Society, Inc. (Carrollton, GA)

May - Henderson County Gem & Mineral Society (Hendersonville, NC)

June - Columbia Gem & Mineral Society (Columbia, SC)
